

Magnetic Technology Comparison	Magnetic Technology	Other Features
KenkoAire Mattress	Field Gradient Technology - 800 gauss	<ul style="list-style-type: none"> • Air Suspension • Advanced Edge Support • Rubberthane Technology • Central Support Zone • Anatomic Foam Support • Hypoallergenic Cover
Kenko Dream Light Pad	Field Gradient Technology - 750 gauss	<ul style="list-style-type: none"> • Rubberthane Technology • Central Support Zone • Viscoelastic Technology
Ultra KenkoPad	Field Gradient Technology - 750 gauss	<ul style="list-style-type: none"> • Rubberthane Technology • Central Support Zone
Kenko Dream Comforter	Field Gradient Technology - 800 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology • Ionic Comfort Technology • Chitocotton
Kenko Dream Deluxe Pillow	Field Gradient Technology - 750 gauss	<ul style="list-style-type: none"> • Aero-Cool Technology • Anatomic Support
Kenko Dream Pillow	Field Gradient Technology - 750 gauss	<ul style="list-style-type: none"> • Viscoelastic Technology • Ceramic Tile Cooling • Anatomic Support
Kenko Sleep Mask	EQL Magnetic Technology - 250 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Magsteps	EQL Magnetic Technology - 450 gauss	<ul style="list-style-type: none"> • Massage nodules
Magstrides	EQL Magnetic Technology - 450 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Kidstrides	EQL Magnetic Technology - 300 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Biaxial Body Energizer	Magnetic Biaxial Technology - 1800 gauss	<ul style="list-style-type: none"> • Massage nodules

Magboy	Field Gradient Technology - 800 gauss	<ul style="list-style-type: none"> • Massage nodules
MagCreator	Field Gradient Technology - 800 gauss	<ul style="list-style-type: none"> • Massage nodules
KenkoSeat Plus	Field Gradient Technology - 800 gauss	<ul style="list-style-type: none"> • Rubberthane Technology • Far-Infrared Technology
Kenko PetPad	Field Gradient Technology - 750 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Kenko Card	EQL Magnetic Technology - 400 gauss	
Kenko Flex	EQL Magnetic Technology - 500 gauss	
Kenko Max	EQL Magnetic Technology - 700 gauss	
Kenko Mini/Strip/Band	EQL Magnetic Technology - 700 gauss	
Kenko Super Mini	EQL Magnetic Technology - 1,600/2,000 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
TriPhase Bracelets	Field Gradient Technology - 1,000 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology • Negative-Ion Technology
Elastomag Back Belt	EQL Magnetic Technology - 400 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Elastomag Elbow/Knee/Thigh/Shoulder/Neck/Head/Hand/Wraps	EQL Magnetic Technology - 300 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Elastomag Ankle Wraps	EQL Magnetic Technology - 350 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
Elastomag Wrist Wraps	EQL Magnetic Technology - 400 gauss	<ul style="list-style-type: none"> • Far-Infrared Technology
PiMag Deluxe Countertop and Under Counter Water System	Field Gradient Technology - 1,200 gauss	<ul style="list-style-type: none"> • Advanced, Multiple Filtration • Pi Water Technology
PiMag Aqua Pour Water System	Field Gradient Technology - 1,200 gauss	<ul style="list-style-type: none"> • Advanced, Multiple Filtration • Pi Water Technology
PiMag Ultra Shower System	Field Gradient Technology - 1,200 gauss	<ul style="list-style-type: none"> • Advanced, Multiple Filtration • Pi Water Technology

PiMag Flip-Top Water Bottle	Field Gradient Technology - 3,800 gauss	<ul style="list-style-type: none">• Advanced, Multiple Filtration• Pi Water Technology
PiMag Magna-Tote	EQL Magnetic Technology - 3,800 gauss	
PiMag Optimizer II	Field Gradient Technology - 3,500/4,400 gauss	<ul style="list-style-type: none">• Superoxyxgenation Technology• Pi Water Technology
Nikken Magna-Charger	Field Gradient Technology - 3,800 gauss	<ul style="list-style-type: none">• Focus-Field Technology
